VIU Student Consent

The Centre for Experiential Learning and Career Services career portal, CareerVIU, is supported by Orbis Communications Inc. and is hosted in a secure off-site server. To access co-op and internship job postings, create a work record of employment, as well as other co-op/internship activities as necessitated by your co-op/internship instructor, it is required that you are a registered member of the CareerVIU portal. Registering with CareerVIU means that your student record details, limited to the functions of co-op/internship activities, will be stored in the CareerVIU system and available to co-op/internship administrators.

Please check box below to consent to becoming a registered member in CareerVIU.

I Consent

Please check this box and then select **ACCEPT**.

ACCEPT

The first time VIU students log into **CareerVIU**, you are asked to acknowledge a **Consent Agreement** to access the system.
